INT. ACHROMA - UNDERGROUND - CELL - NIGHT (N1)

Sierra rubs her eyes as the light shines through the cell window. Kahlei peeks in.

KAHLEI

Sierra you must hurry. Use your powers and exit this place.

Sierra puts her head in her hands while tears fall down her cheeks.

KAHLEI (CONT'D)

There is no time for that now!

SIERRA

What do you want me to do? I'm in a cell and these guards are watching me.

KAHLEI

Use your magic. Look deep inside yourself.

Sierra stands up, takes a deep breathe in, and out. She looks down to her hands. Sparkling glitter forms at her finger tips.

She walks towards the cell bars and sprinkle the dust on the lock. It breaks off. The guard sleeps at his desk and doesn't hear it.

KAHLEI (CONT'D)

Make sure you sprinkle some magic on him. We need as much time as we can get.

Sierra sprinkles some of the dust on the guard and rushes out to meet Kahlei.

KAHLEI (CONT'D)

I have to tell you. There have been some weird things going on, since you've been in there.

He runs up her shoulder and she runs towards the forest.

EXT. FOREST - NIGHT

They approach a large dark hole in the middle of some trees.

SIERRA

What is it?

KAHLEI

I'm not sure, but when you got caught, that night, I saw an eye look out of it.

SIERRA

An eye?

KAHLEI

Not just any eye. It took up the whole hole.

Sierra pauses, glaring at the hole.

A light beams across the trees. Vitor walks towards Sierra and Kahlei.

SIERRA

He is looking for me! What do we do?

KAHLEI

Come quick. I know a place.

Kahlei and Sierra rush into some bushes that block a cave. They sit and watch Vitor walk right past them.

SIERRA

That was close.

KAHLEI

Yes. You are going to have to go to the marketplace and change your appearance.

SIERRA

What if someone notices me?

KAHLEI

Just try and cover yourself up.

Kahlei leaps inside the tunnel.

SIERRA

You won't be coming?

KAHLEI

Here is a scarf that should help with your appearance a little. I will be there as soon as you get what you need.

SIERRA

Okay.

Sierra grabs the scarf and puts it around her head and neck. She walks out the bushes.

EXT. ACHROMA - MARKETPLACE - DAY

"Wanted" signs are posted on almost every store. They all have Sierra's face on them. Sierra holds her scarf close to her mouth.

Echo and Alfie notice Sierra and rush towards her.

ECHO  
Hey, wait!

Sierra runs towards an alley. Echo and Alfie follow her.

ALFIE  
Sie...

Sierra puts her hand over his mouth.

SIERRA  
Do you not see the wanted signs  
everywhere?

She removes her hand from his mouth and looks up and down the street.

ECHO  
What is going on? Why haven't you  
been at school and why are you  
wanted by the King?

SIERRA  
Look it is a lot to describe.  
Although, I can say this, our world  
is about to change.

ALFIE  
Change?

SIERRA  
Yes. I have to help.

ECHO  
Can we help?

ALFIE  
Yeah, I love an adventure.

SIERRA  
Sure. Just don't say anything about  
seeing me. Not to anyone!

Sierra hands them some change.

SIERRA (CONT'D)  
Please go get me some things that  
will disguise my appearance. Meet  
me over there at that vacant shack.

She points to the shack. Echo and Alfie nod and walk back to  
the market.

INT. VACANT SHACK - DAY

Sierra peeks out a window. She turns and walks to the back of  
the room. Kahlei squeezes through a crack in the wall.

KAHLEI  
Couldn't find anything?

SIERRA  
My friends saw me. I gave them some  
change and told them to bring me  
stuff here.

Kahlei sniffs around.

KAHLEI  
You know you can't trust everyone  
now.

SIERRA  
I know. I just want to make sure  
the people I care about don't get  
hurt.

Kahlei takes a book off the shelf and gives it to Sierra.

KAHLEI  
Read this. It will help you  
understand your magic. Also, help  
you use it. If need be.

SIERRA  
Interesting.

Echo and Alfie KNOCK. Kahlei dashes behind a shelf. Sierra  
answers the door.

SIERRA (CONT'D)  
Thanks guys.

SIRENS sound off.

ECHO

See you soon. We got to get to  
class!

Echo and Alfie run towards the school. Sierra closes the door.

EXT. FOREST - DAY

Sierra stands in front of the hole, puts her hands up to the sky, and begins to chant. Moonlit clouds rush in from the north.

EXT. MARKETPLACE - NIGHT

The ground shakes.

Vitor and his Enforcers look to the sky while holding their composure.

VITOR

The Forest! Now!

He and his enforces rush towards the forest.

EXT. FOREST - NIGHT

Vitor and his men arrive where the hole in the ground is. He sees Sierra.

VITOR

You again!

He reaches for his weapon.

Sierra still stands with her arms up to the sky and chants. The moonlight forms a cloud tunnel. The tunnel lifts her up and over the hole.

Kahlei sits in a tree. He munches on an acorn.

Vitor and his Enforcers stand in shock.

The tunnel and Sierra vanish.

Kahlei throws his acorn at Vitor's head and runs off.

VITOR (CONT'D)

Freaking animal! Let us go back to the castle. It's time to get prepared for what's next to come.

Vitor leads the enforcers out of the forest.

INT. CASTLE - KING DUKE'S MASTER ROOM - NIGHT

King Duke sits on his bed. He has a small wooden horse that he sculpts.

Vitor KNOCKS.

KING DUKE

Who is it?

Vitor slightly opens the door.

KING DUKE (CONT'D)

Oh, Vitor. How is that thing going with that girl? You bring me good news, right?

Vitor walks in with his head down and kneels to the side of the King's bed.

VITOR

Not really. She escaped and was seen in the woods by that hole.

King Duke sits up in his bed and sets his toy horse to the side.

KING DUKE

It is time. Get ready for war. We have to stop this world from changing.

Vitor stands up at attention.

VITOR

Yes, King. We are unsure where she is at the moment.

KING DUKE

Find her! Do what ever it takes. Talk to her friends and family. They will know where she is.

VITOR

Yes, sir.

Vitor walks out of the room and closes the door.
